Conspiracy theories allege that secret underground bases, often run jointly by humans and aliens, exist beneath mountains globally, with the most famous being the suspected facility under Archuleta Mesa near Dulce, New Mexico. These rumored sites, including locations near Cheyenne Mountain and in Antarctica, are allegedly hubs for reverse-engineering technology and extraterrestrial experimentation. www.discovery.com +4

Key Alleged Alien Underground Bases

- **Dulce Base (New Mexico, USA):** Situated under Archuleta Mesa, this is a legendary, multi-level facility where scientists allegedly work with "Greys" to study human-alien hybrids and alien tech. Wikipedia +3
- **Mount Hayes (Alaska, USA):** Remote-viewing reports from the 1970s, including those by CIA-recruited Pat Price, alleged a large, active extraterrestrial base existed inside this mountain. Reddit
- **Cheyenne Mountain (Colorado, USA):** While known for the NORAD command center, some theories claim this military installation connects via tunnels to other secret facilities. YouTube · HISTORY
- **Bucegi Mountains (Romania):** Claims suggest a secret expedition discovered an enormous underground chamber of advanced, non-human origin beneath the "Sphinx" rock formation. Amazon.com

Common Themes in Mountain/Base Lore

- **The "Alien Mountain":** Locals near Dulce have reported strange lights, triangular craft, and mutilated cattle, naming the area "Alien Mountain".
- **Underground Tunnels:** Theories propose a secret, high-speed train system connects these mountain bases, extending to Area 51. YouTube · HISTORY

- **Secretive Research:** The bases are reportedly used to study alien technology and conduct genetic research on humans, often linked to the "Greys" (a type of alien).
- **Global Locations:** Other rumored sites include Mount Ziel (Australia), Mount Perdido (Pyrenees), and Mount Inyangani (Zimbabwe). Reddit

These claims are largely driven by ufologists, "Ancient Aliens" theories, and accounts from individuals such as Phil Schneider, though none have been validated by official evidence.

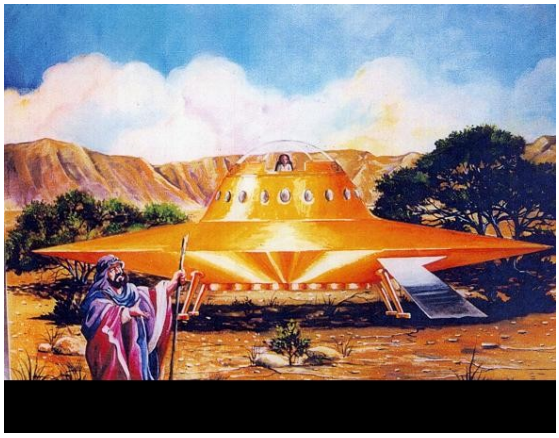
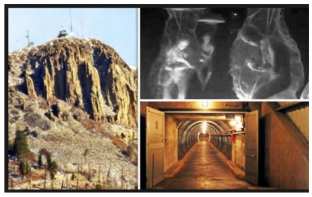
IT IS CLEAR THAT THE GODS OF THE BIBLE WERE ALIENS
WHEN YOU OVERLAY THE DATA WE HAVE TODAY AND ANCIENT BIBLE LORE





Many cultures survived using underground tunnels and cities during the last cataclysmic period on earth 9000 - 12.500 years ago.

Theories linking biblical accounts to "alien gods" often reinterpret divine beings as extraterrestrial visitors, frequently focusing on the Nephilim (Genesis 6:1-4) as hybrids or, as suggested by this Facebook post\n, fallen angels who were banished to underground, subterranean realms like the "abyss". These interpretations often treat "mountains" as sites of contact or hidden bases. Facebook +2

Key Concepts in this Theory:

- **The Watchers & Nephilim:** The "sons of God" (Watchers) are viewed by some as ETs who took human wives, producing offspring (Nephilim/Giants). These Watchers are believed to have been imprisoned in underground, hellish regions after corrupting mankind. Facebook +2
- **"Aliens" in the Bible:** Some interpret beings like angels or the "glory of God" as advanced ET, such as in this YouTube video. Others suggest the "Anunnaki" are not biblical, but potentially influenced narratives, say users on Quora.
- **Underground Bases/Abysses:** The Book of Revelation mentions a "bottomless pit" containing fallen spirits. Some proponents argue that accounts of the Watchers being bound "in the valleys of the Earth" refer to physical underground locations. Facebook +1
- **Mountains as Bases:** Mountains (e.g., Sinai) are interpreted in these theories as sites for landing or receiving advanced technology (e.g., the Ark of the Covenant, as explored in this Ancient Aliens video). YouTube · HISTORY +1
- **Alternative Viewpoints:** Many believe that interpreting these figures as "aliens" is a form of deception or misinterpretation of angelic beings, say FOX2548 & WIProud.

Ezekiel 38–39 (RSV) details a prophecy against Gog of Magog, who leads a vast coalition from the north to attack a restored, peaceful Israel in the "latter years." God intervenes with cataclysmic judgment—earthquakes, fire, and sulfur—destroying Gog, revealing His holiness, and causing both nations and Israel to know He is the Lord. Bible Gateway +2

Key Details from Ezekiel 38-39 RSV:

- **The Adversary (Chapter 38):** God tells Ezekiel to set his face against Gog, of the land of Magog, the chief prince of Meshech and Tubal. Gog is depicted as a massive military force, including Persia, Cush, Put, Gomer, and Beth-togarmah, appearing like a storm to invade the land. Bible Gateway +1
- **The Motive:** Gog plots an evil scheme to attack the "land of unwalled villages" and "quiet people who dwell securely," aiming to seize spoils and plunder, as noted in the Bible Gateway RSV text.
- **Divine Intervention (Chapter 38):** God declares his fury and brings about a great earthquake in Israel, causing mountains to fall and forcing Gog's army to turn on each other. Bible Gateway +2
- **Destruction of the Horde (Chapter 39):** God rains torrents, hailstones, fire, and sulfur on Gog and his armies, ensuring their fall on the mountains of Israel. Bible Gateway +2
- **The Aftermath:** The burial of Gog's army takes seven months, leading to the naming of the site as the Valley of Hamon-gog (the horde of Gog). The weapons used in the

TODAY THE HOLE IN THE NORTH AND SOUTH POLES ARE
NO FLY ZONE. HUMMM WHAT AREN'T WE SUPPOSED TO SEE OR KNOW ABOUT??????

THE GENERAL PUBLIC NEEDS TO KNOW THIS
WE HAVE THE RIGHT TO KNOW and the NEED TO KNOW!

The hole is where the Aurora Borealis light come from.

The lights are reflection of the inner earth sun which is not as bright as the sun above the earth. It casts a greenish blue hue like the colors in the image below.

North Pole "No Fly" Zone?

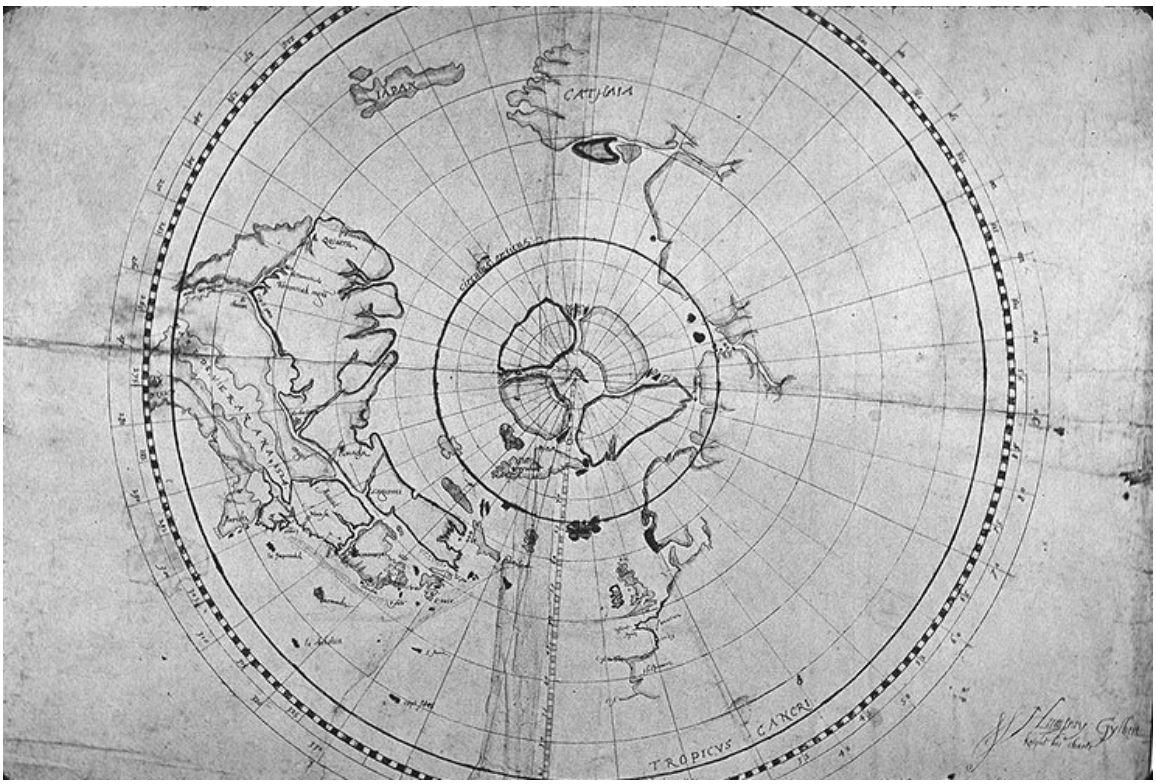
Well, if you can't see the hole from satellite then you can't see it from a plane you??

So I wrote to my friend Don Daniels who I knew had flown planes – for United Airlines at one time – and I asked him if you can fly over the north pole. He wrote

- *We are not allowed to fly directly over the North Pole, the stated reason being that the older navigation systems on for instance the B-747 would get temporarily confused as to which South to reference to. Newer navigation systems like on the B-777 mathematically switch the poles to the equator when we are far north or south and thus there is no ambiguity. However, they tell us to not even ask as we will not get permission to deviate directly over the pole, an it would be considered a gross navigation error.*

AS THE EARTH TECHTONIC PLATES SPREAD APART

SO DID THE OPENING OF THE HOLE IN THE NORTH POLE



The hole inludes lands that used to known as Hyperborea
which include Greenaland before it rotated down to where it is today.

The Poles are really in midair, in the center of the polar openings and are not on its surface as would-be discoverers of the Poles suppose. Reed claims that the **Poles cannot be discovered because the Earth is hollow at its Pole points, which exist in midair,** due to the existence there of polar openings leading to its interior.

SYMMES'S HOLE, AS IT WOULD APPEAR TO A LUNARIAN WITH A TELESCOPE.

In 1822, Congress considered funding an expedition to find the entrance to the inner earth. The vote failed, and Symmes never made the trip. Public Domain / Wikipedia

According to Marshall Gardner, the rim of the polar opening, which is the true magnetic pole, is a large circle 1,400 miles in diameter. It is so large that when explorers pass it, as many did, the slope is so gradual that they never know they are entering the interior of the Earth, but imagine they are on the surface. **The magnetic pole can therefore be any point on the circle of the magnetic rim of the polar opening.** On this point, Palmer says:

"The focal point, or the actual 'pinpoint' of the magnetic pole exists on only one portion of the circumference of that circle at a time, and moves progressively around the circle in a definite 'orbit' that takes some 235 years. This would make the magnetic pole travel approximately 18 miles per year.

"Military and civilian flights 'over the Pole' can be made daily without producing the slightest evidence of the vast hole in the Earth, whose perimeter they circumscribe, no matter what they ASSUME in their navigational procedure, due to the original error in assumption that what they are passing over is a POINT and not a vast CIRCUMFERENCE which they touch at only one place, and then immediately deviate away from its natural curve because they are traveling in a straight line."
